ACCOUNTANTS' COMPILATION REPORT

Honorable Mayor and Town Council Scofield Town Scofield, Utah

We have compiled the Balance Sheet/Statement of Net Assets of Scofield Town as of June 30, 2005 and the Statement of Revenues, Expenditures/Expenses and Changes in Fund Balance/Equity for the fiscal year ended June 30, 2005 in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements, information that is the representation of management. We have not audited or reviewed the accompanying financial statements, and accordingly, do not express an opinion or any other form of assurance on them.

Management has elected to omit substantially all the disclosures (and the statement of cash flows) required by generally accepted accounting principles. If the omitted disclosures and statements were included in the financial statements, they might influence the user's conclusions about the Town's financial position, results of operations and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.
